

Introduction to Manual DSLR Photography

To really benefit from this course you'll require a DSLR camera.

Where: Whitechurch Community & Youth Centre, D16 R298

When: Monday 30th January x 8 weeks

Time: 7:00pm - 8:15pm

Sign-up: baseballyboden@gmail.com

Cost: €68

Want to take control of your Digital SLR camera, use Manual Settings and develop your creative eye?

This comprehensive course will teach you the fundamentals of manual photography, from how to use your camera in manual mode to understanding advanced techniques that will greatly improve your photography.

The course covers;

- The Exposure Triangle
- Shutter Speed -> Aperture -> ISO and their relationship
- Depth of Field
- White Balance and Colour Temperature
- Shooting techniques and Composition
- Focus points and focusing
- RAW vs JPEG and much more!

At the end of the course, you will have a well-rounded understanding of manual photography, perfect for those looking to stop using Auto and/or take your photography to the next level.

<-- Sign up now and get ready to take your photography to the next level.
